

Cleveroad business analysts estimated the time it takes to create a UI/UX design of both Uber apps – for riders and drivers.

Please mind that the number of hours listed below is **approximate** and imply UI/UX design creation for **iOS and Android platforms**.

Passenger app	iOS	Android
Authorization	8	5,6
User profile	8	5,6
Account settings	2	1,4
Chat with driver	14	9,8
Rate the drive	5	3,5
My trips	3	2,1
Notifications	3	2,1
Splash screen	1	0,5
App settings	2	1,4
Payment method screen	12	8,4
Coupons	6	4,2
Saved addresses	3	2,1
Help screen	2	1,4
Ride discounts	4	2,8
Choose car	4	2,8
Finish ride screen	2	1,4
Ride cost estimation	2	1,4
Forgot password	2	1,4
Homescreen	22	15,4
Where to'	3	2,1
Add a stop	3	2,1
Confirm ride	2	1,4
Schedule a ride	6	4,2
Messages	3	2,1
Trip details	4	2,8
	iOS	Android

Driver's app		
Authorization	8	5,6
User profile	8	5,6
Edit profile	3	2,1
Forgot password	2	1,4
App Settings	2	1,4
Help	1	0,7
Destination mode	3	2,1
Navigation	3	2,1
Route building	3	2,1
Reports	3	2,1
Driver destination	3	2,1
Heatmap feature	6	4,2
Trip planner	8	5,6
Cancel trip screen	1	0,7
Contact rider	2	1,4
Complete trip	1	0,7
Accept/decline ride request	1	0,7
Homescreen	8	5,6
Notifications	4	2,8
